Supply of Medicines to States

2129. SHRI V. HANUMANTHA RAO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

U) whether Government would study the possibility of supplying essential drugs and drugs like 'Ranitidine' io State ernment for dispenvuiqn at, PHCs;

i 1') whether it is not a fact thai even the minimum number and type of drugs are not available for tlie needs of the common man;

whether a list of minimum essential drags will be supplied to PHCs according to the density of population;

■ not, reasons therefor;

(e) what steps are proposed to be taken to evolve a policy so that success fully tested drugs for specific ailments .'ire supp'ied country-wide io PHCs; and

(f) what is the reaction of Govern ment to this suggestion?

i HE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA)- (a) to (f) Drug$_s$ are supplied to PHCs by State Governments.

Antt-Rabies Vaccine

2130. DR. RANDIR SINGH; Will the Minister of HEALTH AND FAM-ILY WELFARE be pleased to stats:

ia) whether it is a fact that the inci-dence of rabies is increasing in the country;

(ii) if so, the number of deaths occurred due to rabies in the country dur-he last 3 years: State-wise;

(c) whether it is a fact that the anti-rabies vaccine currently available in thei hospitals is causing neuroparalytic implications: and

(d) if so, whether Government have taken any steps to replace Nervous Tissue Vaccine with Tissue Culture Vaccine in Government hospitals/dispensar-ies?

THE MINISTER OF STATE IN IHE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b). There is no conclusive evidence of increase in the ancidence of rabies.
